**70th Annual Membership Breakfast
PFC Fred Hecht Post #425
& Ladies Auxiliary
Jewish War Veterans of the USA**

We cordially invite you to attend a breakfast in honor of

David Carlucci
New York State Senator
38th Senate District

Congregation Shaarey Israel
Montebello, NY

November 20, 2016 • 9:45am

*In Honor
of
David Carlucci*

Senator David Carlucci, a resident of New City, represents the 38th Senate District, which encompasses Rockland County and Ossining NY. Senator Carlucci was elected in 2010 and has faithfully served his constituents since taking office on January 8, 2011. Elected on the Democratic Party line, he is also part of the five-member Independent Democratic Conference (IDC). A member of the Veterans, Homeland Security and Military Affairs Committee, Senator Carlucci has dedicated his time in office to help those that have protected our great country through their time and efforts.

In the past, Senator Carlucci has sponsored bills that ensure real property tax exemptions that were aimed at helping our veterans financially. The Senator has also sponsored legislation that ensures businesses across New York State have incentives to hire unemployed veterans. In the last legislative session, as Chair of the Social Services Committee, he sponsored a bill that will increase cooperation between State and local authorities in the effort to prosecute Medicaid fraud. Senator Carlucci was a sponsor of the recent legislation to appoint a Monitor to oversee the East Ramapo Central School District as well as providing supplemental funding directed toward full day Kindergarten and other needed educational programs. These are just a few of the legislative efforts that the Senator has worked on and he will continue to support those that help protect the citizens of this great state and nation.

Senator Carlucci also runs a local Veterans Advisory Committee, where he meets with our district's veteran community to discuss issues around the district, advises them on applying for veterans benefits, as well as a number of other topics. His committee has been a great success due to the large attendance at all of the meetings and the free exchange of ideas and knowledge between the Senator and the attendees.

In the future, Senator Carlucci plans to continue his advocacy for our nation's greatest heroes. He plans to continue to serve on the Veterans, Homeland Security and Military Affairs Committee and consider new pieces of legislation that could benefit our veterans.

We can honor our State Senator and express our gratitude for his work on behalf of veterans by taking a listing in our Breakfast Journal.
